

**Good Day to our Paris Bistro & Jazz Cafe
Guests, Friends & Family,**

Monday, March 16, 2020

All services at Paris Bistro & Jazz Cafe have been suspended until further notice. Our truly amazing staff, management and ownership team had to make a hard decision to close. We are so grateful for all the hospitality industry workers like ourselves in the Chestnut Hill and surrounding areas.

While the restaurant remains closed for the next two weeks we are continuing to closely monitor the developments as they unfold with regard to reopening, while following the directions of the state.

Thank you for being a loyal customer,

Vanessa & Rob Mullen
