

Hi everyone,

I am completely heartbroken to have announce that we will be closing through March 29th, at the least. It was one of the toughest decisions I've had to make in years, but at the end of the day, it's your safety first. The reason I named both DanceFits with the location in the business name (Chestnut Hill/Frankford Ave) was to signify our commitment to being a community business. With that in mind, the needs of our community at large have to be foremost.

We will extend memberships and class packs to account for the missed time and will be offering [live streaming](#) classes, as mentioned in my email yesterday. Please bear with us, as we figure out the kinks of live streaming and add more classes to the online schedule. Keep in mind that things may change in such an ambiguous time as this and we are trying our best to make the best decisions with you in mind.

I look forward to seeing you all in a few weeks to celebrate getting through this.

With all my love,  
Bria
