To all of our valued clients, partners and friends,

We stand with you all through this time of uncertainty and are continually reminded of how fortunate we are to be part of such a wonderful and resilient community. Our top priority is the safety of our employees, clients and partners, and we are continuing to assess the situation as it evolves and keep you informed.

We are following the PA Government's mandate to close all non life-sustaining businesses to help ensure the health and safety of our community. We will open back up for business as soon as we are permitted to do so, and we look forward to serving our wonderful community again soon.

We wish good health to you and your family during this time and appreciate your continued support of our company. We hope to see you again soon - we are all in this together.

Sincerely,
The Robertson's Flowers & Events Family
