www.accupay.net.

2. **Subject: Reduce Operating Costs. Three immediate cost benefits.**

Message: You can do these three things now to drive cash to your business.

-Implement Pay as you go Workers Comp insurance via Accupay and Ecomp and avoid hefty annual deposits. Only pay for what you need.

-Track and report Covid-19 related expenses for family leave and sick pay.

-Accurately report payroll data for PPP loans.

Today a business needs a value added payroll service that does more than write checks.

Accupay helps your cash flow now.

For assistance, contact Tony DePaul, Accupay.

267 803 1213. Email adepaul@accupay.net

www.accupay.net.

3. **Avoid the red tape of PPP loans.**

Message: Business Owners who received PPP Loans must report to the Banks in a timely and accurate manner. It is a complex tracking system and you may need help.

Enter Accupay- a 51 year old payroll service provider. Accupay not only processes your payroll, we accurately report the information you need to comply with Federal Law.

To keep in compliance, contact Accupay. Email adepaul@accupay.net. 267 803 1213.

4. **Hiring again? Get up to \$9600 in Work Opportunity Tax Credits per Employee.**

Message: Federally approved Work Opportunity tax credits up to \$9,600 are available for eligible new hires. Accupay's Value Added Payroll services working with Partner EmployerIncentives.com, enable business owners to apply for WOTCs.

There is **No upfront payment** to start the WOTC process. Fees for recovery are on a contingency basis.

For more information, please contact Tony DePaul at Accupay.
