

Campbell's Place Commitment to the Community

Erika Stewart, Director of Constituent Service for Councilwoman Kendra Brooks picking up meals for those in need.

Campbell's Place is grateful for the continued support of our community during this extremely difficult time. Like you, we are focusing on our loved ones - including our staff and regular customers, who we view as family.

We are also thinking about those in our extended family, our community members who find themselves impacted and in need, as well as those who are responding to this crisis on the front lines.

Campbell's Place has always played an essential role in the community: as a gathering spot, host to many family, school and charity gatherings and supporter of countless local causes. In this crisis we feel it is our responsibility to keep the commitment to that role while respecting following and continually educating ourselves to exceed guidelines for health and safety during these times.

Avenues of Commitment

Our Loyal Customers

We are providing non-contact curbside pickup as well as local porch drop off by our staff. Orders are taken Sunday - Thursday 1-8pm, Friday - Saturday 1-9pm. Find our Full Menu, New Family Meals and Beer, Growler & Wine ToGo offerings [here](#).

Those in Need

Through the support of ongoing generous donations, we are able to offer free meals each day to those impacted by this crisis. Families or individuals in need can find our complimentary menu [here](#). We are working with ministries and other non-profit aid-based organizations who need help from our kitchen and our Community. We want to ensure those in our community are not going without food.

Our Staff

Many of you have expressed concern for what this limited operation means for the Campbell's Place family. By continuing to patronize our restaurant through pickup and porch drop off and [gift card purchases](#), you are keeping part of our staff actively employed and busy. The donations work two-fold: keeping our staff active and feeding those in need.

First Responders

Some of our loyal customers, our Campbell's Family and many of those in our community are healthcare workers and first responders. A meal of comfort from Campbell's Place and our donors is the least we can do to express our appreciation.

Serving The Public Safely: Our Practices

Our staff has exceeded in compliance and has practiced best hygiene: masks, gloves, hand washing and social distancing. In order to dramatically minimize contact between staff and guests, we are currently only accepting credit cards. We will collect payment at the time of your order and your receipt will be stapled to your take out bag. Upon arrival detailed instructions are posted about the pick-up process, complimentary gloves and clearly marked waiting areas.

Meals Provided by Campbell's Place with the Help of Our Generous Donors

- ~Since March 18th we have provided 150 of our Complimentary Meals to those In Need
- ~30 Meals for Homeless Youth at The Covenant House

- ~25 Meals for to Abington Hospital Security and Facilities Dept.
- ~60 Meals for to Chestnut Hill Hospital Nurses
- ~50 Meals for ER nightshift at Einstein Medical in East Norriton

WE WILL GET THROUGH THIS TOGETHER

We are so thankful to be a part of such a supportive community. It is times like these where we all need to come together, do our part to help and just be there for one another. Please let us know if there is anything we can do to help you; if you are able we encourage you to contribute to our efforts, here is how you can help us deliver meals made from love start to finish.

With Love
Vanessa & Rob Mullen
&
The Campbell's Place Family
