

CAMPBELL'S PLACE CONTINUES IT'S COMMITMENT TO THE COMMUNITY

Campbell's Place is grateful for your continued support during this extremely difficult time. Like you, we are focusing on our loved ones - including our staff and regular customers who we view as family. We are also thinking about those in our community who are responding to this crisis, as well as those who find themselves in need.

Campbell's has always been a place of community, and in a crisis we feel it is our responsibility to all of you to commit to remain open while following and exceeding the guidelines for health and safety.

Here are the ways we are supporting our community

Our Loyal Customers:

We are providing curbside pickup as well as local porch drop off by our staff, not through third party delivery services. You can order from our regular menu or specially prepared family meals, menus can be found at campbellsplace.com

First Responders:

Donations from some of our loyal customers have helped us provide meals to homeless young adults through The Covenant House, and Philadelphia's 14th District Police. In the next 2 weeks we will be providing meals to 400 Healthcare workers on the front lines.

Those in Need:

Through the support of these donations, we are also able to offer up to 20 free meals a day from our posted menu for curbside pickup or porch drop off. We want to ensure those who are financially impacted by this crisis feel the support of our community and are not going without food.

Our Staff:

Many of you have expressed concern for what this limited operation means for the Campbell's Place family. By continuing to patronize our restaurant through pickup and porch drop off, and gift card purchases, you are keeping part of our staff actively employed and busy. We have a skeleton staff, the majority of whom live alone, travel straight to work and home again. Our staff is also in compliance with social distancing and best hygiene practices, masks, gloves, hand washing & social distancing, while at work. As well our staff knows that if they are uncomfortable working during these times that we completely support them. We are actively looking into other avenue to support the many restaurant workers who are unemployed.

Our Practices:

When you call to order credit card information will be taken, your receipt will be stapled to your take out bag, there will be no signing. No cash will be accepted. This is to limit the amount of contact between the staff and guests. Upon arrival, approach the table at the front door and give your name and then step to one of the well marked waiting areas. There are complimentary gloves. When your order is ready a staff member will place it on the table and call your name. The staff member will take a step back to maintain social distancing

We are so lucky to be surrounded by our close knit community. It is times like these where everyone needs to come together, do their part to help, and to just be there for one another. Please let us know if there is anything we can do to help you, and if you are able, we encourage you to contribute to our efforts. Please email vanessa1mullen@gmail.com to inquire about how you can help.

WE WILL GET THROUGH THIS TOGETHER

With Love,
Vanessa & Rob Mullen
