

Are you craving your favorite foods? Do you need a safe place to shop?

We have you covered!

Many of our vendors are open. We are enforcing 6' social distancing and limiting the number of customers in the MARKET to ensure everybody is safe! All of our vendors are offering curbside pickup upon request and we encourage you to place orders in advance!

New this week: All customers must wear a face mask to enter an essential business per Governor Wolf's orders. We won't be admitting any customers without a mask. If you are unable to wear a mask, please request curbside pick-up.
