

Chestnut Hill Business District Message

Morris Arboretum is currently closed to the public in response to the Coronavirus (COVID-19) health crisis. We look forward to welcoming back visitors to the garden soon with new safety measures that conform to state and CDC guidelines.

Until then, stay connected with *MorrisfromHome* for ongoing virtual visits to the garden. Learn something new with online courses, how-to garden videos, and blog articles at morrisarb.org/learn. There are virtual field trips to Morris friends' home gardens, a YouTube playlist of music that plants might like, Film Friday recommendations, word searches, coloring pages and Morris Arboretum garden photos for your next Zoom call at morrisarb.org/connect.

Keep up to date with the garden in bloom on our Instagram #morrisfromhome, where Horticulturists are sharing spring snapshots. And to continue to support the Arboretum, please consider a donation of any size or purchase/renew a membership at morrisarb.org/give.
