

THE CHESTNUT HILL GIFT CERTIFICATE
(Administered by the Chestnut Hill Business Association)

One of our most successful marketing tools is the Chestnut Hill Gift Certificate which we sell through our office. We advertise these gift certificates as being redeemable at any member shop or restaurant in Chestnut Hill. They are extremely popular with shoppers, but we need your help to make this program a success.

*****As of March 2019 Gift Certificates amounts are no higher than \$50. If you see one for more than it is an older one. Older ones should still be honored!***

Please honor these gift certificates when they are presented to you. They should be treated the same as cash since we will reimburse you for the full face amount of the certificate. For example, if a customer presents you with a \$50 gift certificate but only buys \$40 worth of merchandise, you should give the customer \$10 in change. When you redeem the certificate at our office...we will give you the full \$50.

There is no expiration date on our gift certificates.

Please train your employees to recognize and accept the Chestnut Hill gift certificates. Any questions about a certificate, simply call our office at **215-247-6696**.

Redeeming the certificates is easy!!!

- Bring (or mail) the gift certificate to our office at **8514 Germantown Ave.**
- We will immediately reimburse you for the full face amount of the certificate or, if you prefer, credit the amount of the certificate to your CHBA account.

That's all there is to it...a simple way to keep shoppers' dollars in Chestnut Hill which benefits all of us.
